1. Position statement

1.1. The use of illicit drugs is harmful to athletes and Surfing Australia seeks to educate athletes to prevent the use of illicit drugs in sport. Further, the use of illicit drugs by athletes can bring the sport into disrepute and sets a poor example for other members of the community who view athletes as role models.

1.2. Surfing Australia wishes to prevent the use of Illicit Drugs in Sport through increased education for athletes and members in relation to the potential harms of the use of Illicit Drugs.

1.3. This policy is designed to help prevent the uptake of illicit drug use and reduce the drug-related harm to individuals, families and stakeholders of Surfing Australia and the broader community.

1.4. Surfing Australia will adopt a management approach which focuses on education and counselling in addressing the use of illicit drugs in the out-of-competition context.

1.5. Some illicit drugs may be legitimately used under the supervision of a physician for a clinically justified purpose. The possession and use of illicit drugs is subject to Commonwealth, State and Territory laws.

1.6. Surfing Australia has adopted and implemented an anti-doping policy and rules which conform to the World Anti-Doping Code. The World Anti-Doping Code Prohibited List includes illicit drugs which are prohibited in competition. This Illicit Drugs in Sport Policy differs from the Surfing Australia anti-doping policy in that it addresses the out-of-competition use of illicit drugs, concentrating primarily on education, awareness and prevention initiatives.

2. Objectives

2.1. Surfing Australia is committed to deterring the use of illicit drugs in sport through:
   a) tailored education and prevention programs, including the use of positive role models,
   b) providing appropriate assistance to athletes identified as using illicit drugs.
